

CornerCuts Plus | Base Traps

CornerCuts Plus are Base Traps made of class A Fire rated melamine foam. The Traps are designed to combat unwelcome low base sound reverberations in small to mid size music rooms. Stack two in each of the four corners of your room to combat the low pitched frequencies stemming from drums, base guitars, and other low pitched sound sources.

1-800-638-9355

- 12” x 12” back adjacent sides
- 14” wide front fluted face
- 48” height
- White or Gray
- Class A Fire Rated

Applications:

Ideal for use in small to mid size music rooms that need to protect against low base sound from drowning mid to high pitch frequencies. Typical use for sound control in most any practice, performance, broadcast or recording venue.
