

FloorFighter

12mm Acoustical Floor Underlayment

FloorFighter

FloorFighter 12mm floor underlayment is made from recycled rubber tires. **FloorFighter** is used under floated or double glued hardwood, marble & stone flooring & carpet flooring. **FloorFighter** can also be used under lightweight concrete topping. **FloorFighter** is excellent for use in lightweight wood frame construction due to its weight & mass. **FloorFighter** is 1/2" thick and comes in rolls 4' x 25' (100 sq ft rolls)

Applications:

Typical uses include; apartments, homes, condos, schools, hospitals and any areas where reduction from structural impact noise through the floor to ceiling assembly is required. **FloorFighter** underlayment can be installed over concrete, gypsum topping and structural sound plywood sub floors.

- 92% recycled content, qualifies for up to 5 Leed Points
- IIC rating 50+
- Easy to install, 4' x 25' rolls
- Sound control underlay for Tile, Stone, Hardwood & Carpet
