

## Sail Cloth Baffles

1-800-638-9355

Sail Cloth Baffles are decorative sound baffles that suspend vertically in a variety of public venues to help combat sound reverberations. The baffles serve to capture and convert sound reflections, eliminating background noise and restoring good acoustics to the room.

- 24" x 48"
- 2" thick
- Sewn edges
- 10 Rip Stop Nylon Colors

### Applications:

Ideal for use in public venues where aesthetics and acoustics are both sought. The rip stop nylon sail cloth material is sewn at the edges, not heat sealed, for a decorative finish. Treatments include gymnasiums, cafeterias, multipurpose rooms and a variety of other loud public spaces.
